OFFICIAL COMMUNICATION

SECRETARIES: PLEASE SHARE THIS INFORMATION WITH YOUR MEMBERS

Dear Sisters and Brothers,

We continue to make difficult decisions about our annual Grand Chapter Session while working to make it safe for members attending. We are still planning for our Grand Chapter Session in June, but it will be a shortened version of what we are accustomed to. Since plans are still ongoing, we are not accepting reservations until at least April 15, 2021. Reservations will be accepted based on the guidelines and parameters from the CDC and government limitations, which can change frequently.

There will be safety protocols in place for attendance, masks worn at all times, signed COVID waiver release forms required, temperature checks, pre-registration only. The Grand Chapter room will be designed and set up to ensure social distancing. We will be restricting attendance to Pennsylvania members only. It is sad that we will not be able to greet our out-of-state guests this year, but we will look forward to the opportunity to welcome them next year.

More details will follow as guidelines change frequently.

Brother George, our Grand Officers, and I send best wishes to all for staying safe and well and we look forward to the opportunity to visit you in person soon.

With Charity, Truth and Loving Kindness,

Orpha G. Kemmler
Worthy Grand Matron
