OFFICIAL CORRESPONDENCE

Dear Chapter Secretaries:

Due to an amendment passed during Legislation at the Grand Chapter Session on June 28, 2021, the *WGM Special Instructions* now requires an update. In the Instructions for Secretaries Section, number 1, eliminate the last sentence. Even though special dispensations must still be requested by the Chapter Secretary, there are now NO fees for any special dispensation.

Please be sure all members in your Chapter, especially those who receive the Special Instructions, are informed of this change.

Thank you.

With a Song in Our Hearts,

Linda E. Watson
