The Millennium Circle Fund of The Luzerne Foundation was created by a special group of donors whose one-time gifts of $2,000 play a pivotal role in helping The Luzerne Foundation identify significant unmet community needs. The ultimate goal is to have 2,000 members and a fund that would present grants to our community totaling $200,000 or more each year.

A Millennium Circle donor can be an individual, a family, a business or a civic group. Membership continues in perpetuity as gifts continue to benefit the community for generations to come.

Each member of The Millennium Circle is requested to be the “eyes and ears” of the Fund, recommending areas of need and nominating causes and programs. All of the many nominations are reviewed by the Millennium Circle Advisory Committee who chooses finalists to be presented at the Millennium Circle Annual Luncheon. Every member has a vote and, because of the pooling of gifts, their initial donation turns into a substantial grant that makes a large impact in our community.

The Millennium Circle Tribute Site

In 2009, the River Common opened to great applause. The Millennium Circle Portal is one of two openings to the park and includes fountains, stepped seating and gentle walkways.

It is also the location of the Millennium Circle Tribute Site which honors all its philanthropic members. The Millennium Circle Fund of The Luzerne Foundation is proud to be the donor of the first piece of public art at the River Common. We invite you to visit and enjoy its beauty.
