1. USE:

The apartment must be used only as a private apartment to live in and for no other reason. Only a party signing this Lease and those persons listed on the rental application shall have right to the leased premises.

2. RENT; ADDED RENT:

The rent payment for each month must be paid by the first day of that month at Landlord's address. Landlord need not give notice to pay the rent. Rent must be paid in full and no amount subtracted from it. The first month's rent is to be paid when Tenant signs this Lease. Tenants may be required to pay other charges to the Landlord under the terms of this Lease. They are to be called "added rent". This added rent is payable as rent, together with the next monthly rent due. If Tenant fails to pay the added rent on time, Landlord shall have the same rights against Tenant as if Tenant failed to pay rent.

Tenant agrees to pay a \$25.00 late charge if rent is not received by the 5th of each month, at the office of Landlord or other such place as Landlord may designate, and a sum of \$1 per day until rent is paid. Late charges are deemed additional rent.

It is hereby understood that the premises are leased for the total value of the yearly lease term, or any subsequent renewal thereafter, and the payment of rent in monthly installments is for the convenience of Tenant only. If Tenant defaults, Landlord may give notice to Tenant that Tenant may no longer pay rent in installments. The entire rent for the retraining part of the term will then be due and payable.

The Landlord may collect a fee of \$35.00 if a check is not honored for payment (bounces). This charge is in addition to the regular monthly rent payable by the Tenant. Return check charges are deemed additional rent.

3. FAILURE TO GIVE POSSESSION:

Landlord shall not be liable for failure to give Tenant possession for the apartment on the beginning date of the term Rent shall be payable as of the beginning of the date possession is available. Landlord will notify Tenant as to the date possession is available. The ending date of the term will not change.

4. SECURITY DEPOSIT:

If the rent is increased, Tenant shall deliver to the Landlord, on or before the effective date of such increase, as additional security, a sum equal to the monthly increase.

If the Tenant does not pay rent on time, Landlord may use the security to pay for rent past due. If Tenant fails to perform any other term in this lease, Landlord may use the security for payment of money Landlord may spend, or damages Landlord suffers because of Tenant's failure. If the Landlord uses the security, Tenant shall, upon notice from Landlord, send to Landlord an amount equal to the sum used by Landlord. At all times Landlord is to have the amount of security stated above.

If Tenant fully performs all terms of this Lease, pays rent on time and leaves the apartment in good condition on the last day of the term, then Landlord will return the security deposit being held.

If Landlord sells or leases the building, Landlord may give the security to the buyer or lessee. In that event, Tenant will look only to the buyer or lessee for the return of the security. The security is for Landlord's use as stated in this section. Landlord may put the security in any place permitted by law. If the law states the security must bear interest, unless the security is used by Landlord as stated, Landlord will give Tenant the interest less the sum Landlord is allowed to keep for expenses. If the law does not require security to bear interest, Tenant will not be entitled to it. Landlord need not give Tenant interest on the security deposit if Tenant is not fully performing any term in this lease. The security deposit referred to in this paragraph is deemed additional rent. SECURITY DEPOSIT MAY NOT BE USED FOR LAST MONTH'S RENT.

5. JOINT AND SEVERAL:

If two or more Tenants execute this Lease, their liability is joint and several.

6. TENANT'S REPRESENTATION:

Tenant represents that the apartment shall be occupied only by tenant and such other persons listed and approved on the application submitted in connection with this lease, for living purposes only. Tenant further agrees that upon any member of the household becoming subject to registration as a sex offender or upon the Landlord's discovery that any member of the household is already subject to registration, at any level, under New York or any other law, this lease shall terminate. Upon such termination, the Tenant shall receive 5 (five) days notice to vacate, pursuant to this paragraph. If the Tenant fails to vacate within 5 (five) days from the date of the notice, the Landlord shall have the right to commence a summary proceeding to recover possession of real property.

7. SERVICES:

Landlord will supply: (a) heat as required by law, (b) hot and cold water for bathroom and kitchen sink, (c) use of elevator, if any. Stopping or reducing of service(s) will not be reason for tenant to stop paying rent, to make a money claim or to claim eviction. Damage to the equipment or appliances supplied by Landlord caused by Tenant's act or neglect, may be repaired by Landlord at Tenant's expense. The repair cost will be added rent.

Tenant must pay for all electric, telephone, and other utility service used in the apartment and arrange for them with the public utility company. Should tenant fail to pay same and the utility reverts back to the Landlord, the Tenant agrees to reimburse same to Landlord. These charges are deemed additional rent.

Tenant must not use a dishwasher, washing machine, dryer, freezer, heater, ventilator, and air cooling equipment or other appliance unless installed by Landlord or with Landlord's written consent. Tenant must not use more electric than the wiring or feeders to the building can safely carry.

Landlord may stop service of the plumbing, heating, elevator, and air cooling or electrical systems, because of accident, emergency, repairs, or changes until the work is complete. If unable to supply any service because of labor trouble, government order, lack of fuel supply or other cause not controlled by Landlord, Landlord is excused from supplying that service. Service shall resume when Landlord is able to supply it.

Landlord has provided for the use of the Tenant a washing machine and dryer, and Tenant acknowledges that Tenant will use these at Tenant's own cost and risk.

8. ALTERATIONS:

Tenant must obtain Landlord's prior written consent to install any paneling, flooring, "built in" decorations, partitions, railings, or make alterations or to paint or wallpaper the apartment. Tenant must not change the plumbing, ventilating, air conditioning, electric or heating systems. If consent is given, the alterations and installations shall become property of the Landlord when completed and paid for. Landlord may pay or bond the lien if Tenant fails to do so within 20 days after Tenant is given notice about the lien. Landlord's costs shall be added rent.

Tenant must take good care of the apartment and all equipment and fixtures in it. If a need for repair results from Tenant's act or neglect, Landlord will make the repair. Tenant will reimburse Landlord for the repair; this reimbursement is deemed additional rent.

10. FIRE, ACCIDENT, DEFECTS, DAMAGE:

Tenant must give Landlord prompt notice of fire, accident, damage or dangerous or defective condition if the apartment cannot be used because of fire or other casualty. Tenant is not required to pay rent for the time the apartment is unusable. If part of the apartment cannot be used, Tenant must pay rent for the usable part. Landlord shall have the right to decide which part of the Apartment is usable. Landlord need only repair the damaged structural parts of the apartment. Landlord is not required to repair or replace any equipment, fixtures, furnishings or decorations unless originally installed by Landlord. Landlord is not responsible for delays due to settling insurance claims, obtaining estimates, labor and supply problems or any other cause not fully under Landlord's control.

If the fire or other casualty is caused by an act or neglect of Tenant or guest of Tenant, or at the time of the fire or casualty when Tenant is in default in any term this lease, then all repairs will be made at the Tenant's expense and Tenant must pay the full rent with no adjustment. The cost of the repairs will be added rent.

Landlord has the right to demolish or rebuild the building if there is substantial damage by fire or other casualty. Even if the apartment is not damaged, Landlord may cancel this lease within 30 days after the substantial fire or casualty by giving Tenant notice of Landlord's intention to demolish or rebuild. Tenant must deliver apartment to Landlord on or before the cancellation date in the notice and pay all rent due to the date of the fire or casualty. If the Lease is canceled, Landlord is not required to repair the apartment or building. The cancellation does not release Tenant of liability in connection with the fire or casualty. Landlord is not liable for loss, expense, or damage to any person or property, unless due to Landlord's negligence, Landlord is not liable to Tenant for permitting or refusing entry of anyone into the Building. At reasonable hours, Landlord may show the apartment to possible or new Tenants during the last 6 months of the Term.

If Landlord enters the apartment, Landlord will try not to disturb Tenant. Landlord may keep all equipment necessary to make repairs or alterations to the apartment or building. Landlord is not responsible for disturbances or damages to Tenant because of performing work or keeping the equipment in the apartment.
