WINE & FOOD

for Wedding Celebrations & Gifts

Here at Clif Family, we celebrate all things wine, food, and adventure. Our artisan food products and small production wines are the perfect addition to your wedding festivities.

Let us help you raise a glass to the perfect day.

Engagement Gifts

The celebration begins now. Commemorate it with a special gift. Shower the couple with love and a delicious Pantry Starter set or spice things up with our extra spicy Fatalii hot sauce!

Wedding Party "Ask" Gifts

Invite them to be by your side on this most important day. Any gift will do, but our Meyer Lemon Marmalade demands a "yes"!

Welcome Gifts

Greet your guests with a gift to get the celebration started. Have it waiting for them upon arrival at the hotel or at their table for the welcome reception. Our Dark Chocolate Sea Salt Caramels never disappoint.

Artisan Food & Wine from Napa Valley

Clif Family curates beautiful gifts using our small production wines and gourmet food items. Send a little piece of Napa Valley home or incorporate into your special day. From savory nut mixes to hot sauces, chocolate to Cabernet, we've got the perfect gift for you.

Wedding Favors

For the ultimate ending to the perfect day. Spread the love with a seasonal preserve or send your guests off with wine or chocolates to remember your special day.

Thank You Gifts

Share your thanks to all who contributed to your celebration or honeymoon fund. Send one of our Savory Nut Mixes to show how "nutz" you are about the gift!

Anniversary Gifts

Toast to years of celebratory milestones. Celebrating their 30th or gearing up for the 1st? Pop open our Kit's Killer Cab or Gary's Improv Zinfandel to commemorate the occasion.
