In May, the YWCA launched the public phase of our “Preserving Our Legacy” endowment campaign. With a goal of $900,000, the YWCA development committee has raised nearly 75% as of October!

This campaign has opened the door to nearly $125,000 in legacy gifts and bequests. A substantial, secure endowment fund provides lasting support for upgrades and repairs to our 35-year-old building. Consider joining those who have already given (see our donor page!) and help us Preserve Our Legacy.

our mission

The YWCA Gettysburg & Adams County is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all.
Racial justice and women's economic advancement are the hallmark initiatives of the YWCA. To further this mission in our community, the YWCA Gettysburg & Adams County offers programs that encourage discussion about race and appreciation for the diversity in our community, and provide women and girls opportunities to explore scientific fields and increase their earning potential.

For more information about the YWCA’s racial justice and women’s empowerment programs, contact Kara Ferraro at kferraro@ywcagettysburg.org or 717-334-9171, ext. 113. Also visit www.ywcagettysburg.org/category/community-outreach/

Encore Breast Cancer Support Group

The YWCA Encore Breast Cancer Support Group group meets the fourth Tuesday of every month. You may not feel that you are in need of support, but your presence and sharing your experiences could make a difference in the life of another woman. For more information, contact Deb at ext. 124 or dgeesey@ywcagettysburg.org.

18th Annual Callie Awards – Celebration of Exceptional Women

The annual Callie Awards recognize the contributions and achievements of extraordinary women in Adams County. Nominations will be accepted through Dec. 8; a nomination from and guidelines are on page 4. Information about tickets will be available at ywcagettysburg.org.

Thursday, March 29, 2018 & Gettysburg Hotel

Martin Luther King Jr. Celebration

The annual MLK Celebration event will be held in Gettysburg College’s Christ Chapel. This year’s program will feature keystone speaker Dr. Mary Frances Berry. Dr. Berry is an author, educator and historian who led the charge for equal rights over the course of four Presidential administrations while serving as Chairperson of the US Civil Rights Commission. The annual Living the Dream Award, co-sponsored by the YWCA and the United Way of Adams County, will be presented to a local resident who personifies King’s dream of freedom and justice for all. All proceeds from a freewill offering taken at the event will benefit the Adams County Career Aid Project, which provides need-based financial aid to students pursuing higher education and/or technical training. The event is free and open to the public.

Jan. 22 7-8:30 p.m., Gettysburg College’s Christ Chapel

Empowering Young Women

The LEGO Robotics Club is offered as part of the ASAP after-school program at Lincoln Elementary School. The six-week program provides fourth- and fifth-grade girls the opportunity to explore computer programming and robotics technology in a nurturing, girls-only environment under the guidance of Gettysburg College students.

STEAM Savvy is an all-girls after-school club for students at Gettysburg High School. The program encourages girls to explore science, technology, engineering, arts and math. Instructors and mentors also assist students with college applications, interviewing skills, and other aspects of the college search, including visits to explore schools’ science departments.

As more major tech companies realize the need for greater diversity in STEAM fields, these programs are important tools in helping girls and young women retain an interest in science and technology throughout their school years. Research suggests that programs like this are effective tools to challenge the gender divide of men and women in these high-paying career fields. For more information about how to enroll in either of these programs, contact chemistry teacher Kristen Bechtel at the high school.

32nd Women in History Essay and Art Contest

The YWCA will once again host the Women in History essay and art contest for all 6th, 7th and 8th grade students in Adams County. Entry materials will be available at all county schools and at the YWCA. Deadline for entries is Feb. 9. Visit ywcagettysburg.org for more information or to view last year’s winning entries.

19th Annual MLK Day On

Celebrate Martin Luther King Jr.’s birthday, not as a day off, but a day on helping your local non-profits. Volunteers are needed to sort donations for participating agencies in the YWCA gymnasium. For agency wish lists (available in January) or to volunteer, contact Vickie Corbett at 717-334-5809 or vcorbett@uwadams.org. The day is co-sponsored by the YWCA and the United Way of Adams County Volunteer Center.

Jan. 19, 9 a.m. - noon
The YWCA Gettysburg & Adams County is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom, and dignity for all. Through the Callie Awards, we seek to recognize the significant achievements of women in various fields of service, including but not limited to: Business/Agriculture, Education, Advocacy, Racial Justice, Health/Wellness/Human Services, and Community Service, with special consideration granted to other areas of public service. In 2018, up to five women will be recognized for demonstrating excellence in their fields (4 Adams County women and 1 Young Woman Award).

Using your own body weight, you will gain muscular endurance, tone, and definition, and you will experience an increased afterburn.

**Zumba Toning** - For those who want to party, but put extra emphasis on toning and sculpting to define those muscles! The challenge of adding resistance by using Zumba Toning Sticks (light weights) helps you focus on specific muscle groups so you and your muscles stay engaged!

**Zumba for Kids** - Kids age 6-12 are welcome!
cycle classes

Enjoy the support of a group fitness setting as an instructor calls the speed and intensity of the workout while the beat of music motivates you! Classes are led by an instructor, but you can determine whether you want to step it up a notch or take it a little easier—you set your own ride! Cycle classes schedules are available at the service desk or ywcagettysburg.org.

Participants should arrive for class 10 minutes before the scheduled class time to make necessary adjustments to the bike. All bikes are equipped with toe-clips and SPD pedals. Classes are open to rec pass members ages 16 years and older. Teens ages 13-15 may participate if they have completed the basic training class.

Hallmark Sponsors support YWCA events and ongoing programs throughout the year while gaining recognition for their business in YWorks, on a banner displayed in the front driveway and parking area of our 909 Fairfield Road headquarters, on all event t-shirts and programs, and in all YW marketing materials, including our website. Employees of these companies also receive discounted memberships. To find out more about becoming a Hallmark Sponsor, call Deb Geesey at ext. 124.
The YWCA must adapt each year to a growing and changing community, and as evidenced in recent years, a changing economy. Our programs and services are made possible through the generous support of our members and friends. Membership and program fees cover only 87 percent of our operating expenses, and we rely on private donations and grants to cover the rest. We are grateful to our many loyal supporters, and we offer many ways you can help us carry on our mission to eliminate racism and empower women. For more information on giving to the YWCA, call Deb Geesey at ext. 124 or email dgeesey@ywcagettysburg.org. All financial contributions are tax deductible to the extent of the law.

If you’d like to donate your time to the YWCA as a volunteer, call Nancy Lilley at ext. 115 or email nlilley@ywcagettysburg.org.

donor spotlight

As a member and volunteer, my support of the YWCA Gettysburg & Adams County began when we moved to Fairfield in 1999. I joined the YWCA so that I could swim on a weekly, regular schedule. This evolved into my contributing some of my hand-turned bowls for the Race Against Racism. This donation led to fifty-two turned items for the ENCORE 5K, and that led to turning the trophies for the Last Chance Master Swim Meet.

Once I established a relationship with the different events, I got the Cumberland Valley Woodturners interested in helping me support the ENCORE 5K since there are so many different winners in this race. Among the items we have turned are pens and pencils, key rings, ice cream scoops and more.

I personally have a strong feeling of support for the ENCORE 5K, having lost my biological mother and my Aunt, who raised me, to breast cancer. It is an important issue for most families, since many can name a relative who has suffered from this disease.

In my early teens, I was a camp counselor, a basketball referee and participant at the Annapolis, Maryland YMCA. Once I was married and working, I taught gymnastics and wrestling to young boys on Saturday mornings for about five years. Then a neighbor asked me to serve on the Anne Arundel County YMCA board. I was president of that organization for two years.

So, as you can see, I have always thought the “Y” - be it YMCA or YWCA - serve an important need in the community. I find that the YWCA Gettysburg does that to a higher level through its many varied programs that meet the needs in this community.

— Bob Robinson
A commitment today ensures that the YWCA Gettysburg & Adams County preserves our legacy for you and our community tomorrow.

When you donate to the YWCA Gettysburg & Adams County’s Endowment Campaign, you are helping create a substantial, secure fund which will provide lasting support for:

Living Our Mission

The YWCA is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all. We promote racial justice and the empowerment of women by being a leading voice in Adams County through our education and advocacy work. The YWCA strives to be the center for personal and community growth—the place to learn, to play, and to improve emotional and physical well-being for future generations. We will guide Adams County to positive change by connecting cultures, encouraging healthy lifestyles, and empowering all who walk through our doors.

Community Wellness

We are committed to keeping our services accessible. A substantial endowment fund allows us to maintain and repair our facility infrastructure, while keeping our membership prices affordable. The YWCA plays a central role in the health and wellness of our community with our award-winning fitness center, gymnasium, racquetball courts, and the only public indoor pool in Gettysburg. The YWCA has a positive impact on the community by promoting health and wellness, facilitating fellowship, offering child care services, and providing a social outlet for people of all ages.

Child Care Programs

As Adams County’s largest child care provider, we offer safe, convenient, quality care that includes crucial early learning opportunities for infants, toddlers and school-age children. YWCA child care provides peace of mind for working parents and ensures that children enter kindergarten with the knowledge and skills they need to succeed. Our Endowment Campaign helps sustain and enrich these programs, keeping them viable for future generations.

Making a commitment today ensures that our YWCA will be here for you and our community tomorrow.

Our Finances: As we approach our 90th year, increasing our endowment fund by $900,000 will provide a much-needed source of revenue. Our membership fees cover program expenses, but repairs and upgrades to our 35-year-old building are costly.

<$1,000
Recognition in our YWCA publication that is distributed to nearly 18,000 businesses and homes.

$1,000+
Recognition in YWCA publications throughout the duration of our three-year endowment campaign.

$5,000+
Recognition in YWCA publications and your name engraved on a donor plaque displayed in the lobby of the YWCA.

$50,000+
Recognition in YWCA publications, donor plaque, and your name engraved on a park bench at our main entrance.

$100K+
Your name prominently listed as the sole donor on a park bench in front of our main entrance, plus all other benefits.

member policies

Grounds
All YWCA facilities are alcohol-, vape-, tobacco-, and weapons-free. Children under 10 must be accompanied by an adult at all times while in the facility.

Access
An individual membership is for the purchaser only and does not allow access for anyone else. It is not transferable even to a member of a family membership type. Violation of this is a theft of service and may result in the membership being forfeited. A YWCA rec pass membership is required for access to the swimming pool, whirlpool, sauna, gymnasium, racquetball courts and fitness center. Basic and non members may purchase a day pass to access group exercise and water fitness classes. All members must bring their cards and swipe at the turnstile each visit. If you forget your card, a desk worker will allow you access three times within a prescribed amount of time. After the third occurrence, you will need to purchase a new card for $5 to gain access. Tracking member usage is an important evaluation tool for all departments. We need correct usage numbers when applying for grants and reporting on membership utilization. Tracking access is also used for security reasons. This information is only accurate if all members are individually swiping their cards at the gate. Turnstiles are located at the service desk and fitness centers.

Children under 10 years of age not permitted in building without an adult.

Membership Policy
The YWCA welcomes individuals and families regardless of age, race, religion, gender, ability or economic level. If you have special requirements and need assistance, please call our Service Desk at 717-334-9171. If a member or guest acts in a manner inconsistent with the YWCA mission, fails to abide by the rules and regulations of the YWCA Gettysburg & Adams County or acts in a manner which is harmful, potentially harmful or a threat to the safety of others, membership and/or rec pass privileges may be revoked or suspended at the discretion of the Executive Director or the Board of Directors.

Therefore, the YWCA reserves the right to deny access or membership to any person who:
– is a registered sex offender;
– has pleaded guilty to or been convicted of a crime involving sexual abuse, physical abuse or neglect of a child, spouse or parent;
– has pleaded guilty to or been convicted of any offense related to the sale or transportation of illegal narcotic habit-forming or dangerous drugs;
– and/or is clearly under the influence of intoxicating beverages or behavior modifying drugs.

Sauna
Users must be 18 years old and follow rules posted on door. Users ages 13 – 17 must be accompanied by an adult.

We welcome all ages of members as well as community guests to our pool. Children under the age of 10 must be accompanied by an adult aged 18 or older at all times. A complete list of pool rules is available in the pool area. Infants and toddlers must wear a swim diaper; diapers can be purchased at the Service Desk. Participants must shower before entering the pool. Users’ good hygiene is essential to the maintenance and sanitation of the pool. Please use good judgment in choosing your swim wear.

Fitness Center
As a non-profit organization, it is the responsibility of both staff and members alike to take care of our equipment. We ask that you take ownership of your workout space. In other words, if you see someone breaking the rules, bring it to the attention of a YWCA staff member. We have rules for this facility designed for the safety and comfort of all our members. If we all work together to enforce the rules, the YWCA fitness facility will continue to be the great place that it is!

Personal Training Policy
The YWCA Gettysburg & Adams County offers personal training services to include instruction, coaching, advice, lessons or demonstration concerning physical exercise, physical fitness, exercise strategies, nutrition, wellness, fitness equipment and other fitness-related activities by certified personal trainers employed by the YWCA.

No personal training by members or guests is permitted. A member or guest may not solicit or conduct any personal training as defined above, with or without compensation. This applies to any and all sessions, one on one or with two or more people.

If a member/guest is found to be engaged in any activities noted above, they will be notified of this policy and it will be brought to the attention of the Executive Director. At the discretion of the Executive Director, if the member/guest continues any of the activities noted above, he/she will lose membership privileges immediately without refund.

Locker Rooms
Please be mindful of wet and dry areas in YWCA locker rooms. For the comfort and privacy of all members, children age 4 and older are required to use their same gender locker room. Parents bringing opposite gender children age 4 and older may use the special assistance (ADA compliant) room. See the Service Desk for the key. Adults are responsible for children that they bring into the locker room and must stay with them at all times. Cell phone usage is not permitted in the locker rooms or fitness center. Baby changing areas are located in the men’s and women’s aquatic locker rooms.
