

Sponsorship Letter

Greetings,

We are writing this letter to serve as an introduction on behalf of the athletes and parents of A Touch of Speed, a 501(c)(3) non-profit youth track and field organization, that focuses on empowering the youth to be the best they can be in every aspect of life.

We are proud to introduce this amazing group of student-athletes. Our team is comprised of student-athletes aged 6-18. The athletes as well as their family are committed to the success of this program. Not only are they committed to the success of the program, but the success of the communities they represent. In addition, the student-athletes and families will be involved in a variety of outreach activities throughout the year.

A Touch of Speed Track & Field Club will be participating in several USATF and AAU sanctioned meets in South Carolina and surrounding states. Your support will help offset team uniforms, travel, and lodging expenses, as well as allow us to continue to give back to our community in various ways.

We respectfully honor various forms of sponsorship from product placement for athletes, to financial backing, and have created several plans to fit the diverse levels of support.

We would like to extend our appreciation in advance for consideration, generosity and dedication to our young student athletes. Please do not hesitate to contact us at the phone number listed below with any questions. All donations are tax-deductible.

Sincerely,

Eboni Thompkins-Webber
President
