

**ST. PETER THE APOSTLE CHURCH HOSTS COVID-19 COMMUNITY DRIVE-THRU/WALK-UP TESTING EVENT CLINICALLY PERFORMED BY WELLCARE ON SUNDAY, MARCH 28, 2021**

**St. Peter The Apostle Church, 445 Fifth Avenue, River Edge, NJ 07661**

**Starting at 9am FOR THOSE WITH OR WITHOUT SYMPTOMS**

**Protect yourself, your loved ones, and your community by getting tested for COVID-19. You could have COVID-19 and not even know it. It's quick and easy.**

WellCare is being hosted by St. Peter the Apostle Church to provide COVID-19 testing. **Our testing site is designed to provide a high level of safety for testing participants, the community and staff. The event will be located 445 Fifth Avenue, River Edge, NJ 07661.**

We will be offering initial diagnostic testing for SARS-CoV-2, commonly referred to as Coronavirus (COVID-19). Tests will utilize the collection of an FDA approved nasopharyngeal (NP) swab specimen. Diagnostic testing is performed by FDA approved, Real Time Polymerase Chain Reaction (RT-PCR) platform.

**What to expect when arriving at the testing site:**

- Test sites will be arranged in a way that participants will remain in their vehicles to ensure social distancing and safety for all parties involved. Socially-distanced walk-ups are also welcome.
- Participants will arrive for their scheduled appointment (on-line scheduling recommended and is available at <https://wellcaretccm.com/st-peter-covid-19-testing-03-28-21/>) Participants must wear masks and have available photo ID and all medical insurance cards ready for presentation until they are instructed to proceed to the first testing area.
- **In the first testing area**, participants will be asked medical questions and their vitals will be taken and recorded.
- A staff member will then instruct the participants to proceed to the **second testing area** where the nasal swab specimen will be collected.
- **The entire process should take approximately 5-10 minutes.** WellCare will notify all positive or inconclusive results within 24-36 hours.

**What you need to bring**

- All participants will need to be wearing a mask covering their mouth and nose at all times while at the test location.
- **All participants will need to have their original state issued photo ID and all medical insurance cards.**
- With medical insurance there is no cost to you for participating in the COVID-19 testing event. We will only perform diagnostic medical services covered by your medical insurance. You will receive a statement from your insurance company - an explanation of Benefits (EOB) - which will itemize the services received, but it is not a bill.
