Discovery questions

- What do you do for off-site/1:1 filtering for all devices?
- How does your district monitor and respond to signs of bullying, self-harm, and violence?
- Do you have a Digital Citizenship program at your school?
- Do you have insight to student online activity and wellness at a district level?
- Can parents control filtering rules and have access to their child's online activity when school devices go home?
- Do you have an open line of anonymous communication for students, parents, and teachers to speak up when something feels wrong?
- How are your teachers managing their online classrooms?
