Plants yielding seed: each according to its kind; reproduces.

Lights in the heavens for signs: (beacons or signals) and for days and years (to mark time): Ps. 19:1-6

Waters teem and birds fly: blessed to be fruitful and multiply and fill

Living creatures on the earth: beasts, livestock, and everything that creeps on the ground according to its kind

Make man in our image: a representation of God, created male and female, to have dominion over all the creatures of the earth

Man and woman: blessed, instructed to be fruitful and multiply, to subdue and rule over living thing

Green plants given for food

Creation completed in six days: “behold, it was very good”: 1 Tim. 4:4

Assignment:

What does it mean to be created in the image of God?

How could the first man and woman reveal God's glory on earth?

How is human life different from any other animal life?
