

Day 39: Genesis 26: God's Promise to Isaac

Teacher: Connie Stampfl

©2015 Naomi's Table

Isaac tested: famine; command to stay in the land; fear of death because of Rebekah; conflict with Philistines over wells; covenant with Abimelech

God's Promise: his presence, blessing, land, offspring, and in that offspring all nations blessed as God had sworn to Abraham

Esau's marriages: he chose two Hittite wives who made life bitter for his parents

Assignment:

In what ways did the LORD bless Isaac in this chapter?

How did Isaac demonstrate faith in God and his promises (or not)?

What did Esau's choice of wives say about his character, and what he thought about God?

Do you recognize God's blessing in your life, despite conflict or difficult circumstances? Do you trust Him no matter what?
