

## Day 46: Genesis 31:26-55: Jacob and Laban Reconciled

**Teacher: Connie Stampfl**

©2015 Naomi's Table

**Laban falsely accused Jacob:** forced daughters to leave; stole his gods

**Jacob berated Laban:** acknowledged that the God of Abraham and the Fear of Isaac had helped him

**Laban desired covenant with Jacob:** pillar and heap of stones as watchtower and witnesses; Jacob not to harm Laban's daughters and neither party to cross the boundary to harm the other

***Assignment:***

***What may God have been teaching Jacob through his interactions with Laban?***

***Our actions and words often lead to unintended consequences—how does this apply to Rachel in this passage?***

***How has the world changed the meaning of the "Mizpah" pillar which Jacob and Laban erected?***

***What may the Lord be teaching you in your relationships?***
