- **Silver cup in Benjamin's sack:** money in all of their sacks; will brothers abandon Benjamin?
- **Brothers tore their clothes:** all returned to the city
- **Judah was spokesman:** "God has found out the guilt of your servants"
- **Judah asked to take Benjamin's place:** made good on his promise to be a pledge of Benjamin's safety; concerned for his father's well-being

### ***Assignment:***

***What evidence is there that the brothers have repented of their evil to Joseph and now desire to do what is right?***

***When we sin, the natural inclination is to try to hide it, so no one finds out. But what did the brothers finally realize about our past "hidden" sins?***

***What is Judah's motive for offering to be a substitute for Benjamin?***

***Read John 15:13 and consider how Christ bore our blame and sacrificed himself in our place.***
