Church Family Prayer List

In Pinecrest:

*Shelagh Longe - in room 208 at Pinecrest

*Helga Wilson - in room 133 at Pinecrest

On-going Health or Family Concerns:

*Logan Opyc - Please continue to pray for Logan as he is going through some new health issues. They think he has hyperthyroidism and doctors are trying to figure out a treatment plan. Please pray also for a positive transition to school in the fall.

*Pat Clink - Pat is now home after being in hospital. Please continue to pray for her, as well as the needs of the family.

*Joyce Green - her bone density test showed the lesions aren't as dense and she is responding to treatment and feeling good. Praise God.

*Barb Peters - Pray that she would continue to heal and be more mobile and steady. She appreciates your prayers.

*Bird Family - Eli hasn't been sleeping at nights for several months now. We're trying different meds to see if we can get him to reset and start sleeping at again. Even though he's safe in his super sized crib, and doesn't need company for his night time parties, his happy partying is loud and keeps us awake.

*Len & Marrian Geddert - Doctors have said there was not really any difference in Lowell's scans from before the Y 90 procedure and after. Subsequent scans have been done on Lowell's lungs and liver, so we are waiting for results on these.

Heather (Beth Courtney's daughter) - Heather is experiencing another disabling pain flare. Please pray for improvement, for good medical care, and the diagnostics to happen soon.

*Flynn & Elijah (John & Gwen Ruby's grandsons) – Pray for the parents as they deal with all the special needs of these 2 boys. May they receive the support they need.

Christian Sympathy:

*Continue to pray for those within our church family who have lost loved ones.
