

## Noida International Airport begins the pre-qualification process for airport development and construction tender

**Delhi, April 12, 2021:** Yamuna International Airport Private Limited (YIAPL) is undertaking the engineering, procurement, and construction of NIA Phase- 1 (i.e., 12 million passengers per annum capacity) under various packages pursuant to a two-stage international competitive e-tender process.

YIAPL is inviting responses to its e-Request for Qualification (“e-RFQ”) from financially sound, experienced, and reputed contractors to short-list the tenderers for award of – engineering, procurement, and construction of terminal and associated works (Package- 1), and airside, landside, and associated works (Package- 2), in accordance with terms and conditions of the e-RFQ.

Yamuna International Airport Private Limited (YIAPL) has been granted the right to develop, operate and maintain the Noida International Airport (NIA) on DBFOT basis.

Interested parties can download the e-RFQ upon successfully registering at YIAPL’s e-portal, accessible at: <https://niaairport.abcprocure.com>

The notice inviting responses to e-RFQ is also available at: <https://niaairport.in/newtenders/>

For further clarification, interested parties can communicate at [tenders@niaairport.in](mailto:tenders@niaairport.in).

### **Yamuna International Airport Private Limited**

YIAPL is a 100% subsidiary of Zurich Airport International AG, which has been incorporated as a Special Purpose Vehicle (SPV) to develop the greenfield Noida International Airport in Jewar. The Government of Uttar Pradesh signed the concession agreement with Yamuna International Airport Private Limited (YIAPL) on October 7, 2020, to commence the development of the Noida International Airport (NIA) at Jewar. The company is responsible for implementing the Public-Private Partnership project together with the Government of Uttar Pradesh, New Delhi Okhla Industrial Development Authority and Greater Noida Industrial Development Authority.
