About EVmo, Inc.

EVmo, Inc. bridges the gap between rideshare and "last mile" delivery drivers in need of suitable vehicles and the companies in the rideshare, delivery and logistics businesses that depend on attracting and keeping drivers. EVmo, Inc. is a leading provider of rental vehicles to drivers and delivery companies in this ever-expanding gig economy. The company uniquely supports drivers in both the higher and lower economic categories with innovative policies and programs.

The company provides an online rideshare vehicle booking platform to service the ridesharing and delivery gig economy which includes both our owned and maintained passenger and cargo delivery fleet and third party fleets. We also provide fleet management services with our industry leading technology platform to fleet providers. EVmo provides cargo storage vans to the last-mile delivery and logistics industry.

The company provides SEC filings, investor events, press and earnings releases about our financial performance on the investor relations section of our website (www.evmo.com).
