

The Northwest Montana Reading Council Presents

The BACK-TO-SCHOOL LITERACY CONFERENCE

August 18, 2021 ♦ Flathead High School ♦ 8:15AM to 3:30PM

Featuring

DAVE STUART JR.

KEYNOTE ADDRESS 8:30-10:20AM

Dave Stuart J. is an award-winning educator and best-selling author of *These 6 Things*. Dave believes that the point of school is long-term flourishing. The best way to promote long-term flourishing in schools is to allow teachers to focus on mastering six key areas: motivation, knowledge-building, argument, reading, writing, and speaking. All six of these areas ought to be wisely, sustainably leveraged toward the mastery of course material. From increasing student achievement scores, to moving forward building literacy initiatives, to improving inter- and intra-departmental collaboration, to making the school day a lot more sensible to our students — *These 6 Things* is a book that can help. Bookworks in Whitefish will attend with books from the sessions and other educational resources for sale.
