ASK A RECRUITER

I interviewed three days ago and have yet to hear back from the company or my recruiter. How should I follow up?

~ Lisa J, San Diego, CA

First follow up with your recruiter. He or she should have an update for you. If you cannot get a hold of your recruiter, be sure to try again. If you continuously try to reach your recruiter and do not get any feedback then follow up with the company. Be sure to talk to the person you interviewed with at the company.
