ABOUT

The T1000 is designed for work that doesn't require impact, but demands superior dexterity and maximum cut protection. Our 18 gauge mineral-based shell provides industry-leading comfort and fit while maintaining job-appropriate levels of protection.

FEATURES

- ✓ ASTM ANSI Cut 4 protection
- ✓ 18 Gauge Mineral based shell for softness and increased dexterity
- ✓ *Ultra Fusion® hybrid dip*

BENEFITS

- ✓ Mineral Based Knit Shell provides slim and softer feel while maintaining appropriate levels of protection
- ✓ *Ultra Fusion® dip* technology for superior grip in both wet and dry conditions
