

## ECS Imaging's April 2021 Webinar

### Digital Signatures for your Digital Transformation

Wednesday, April 28th, 2021 10:00am to 11:30am

*Join this month's webinar to see the latest technologies to automate Digital Signatures. We will show automated methods for capturing signatures that are already integrated into Laserfiche business processes.*

#### Ready, Set, Learn Laserfiche

- ⇒ Learn about Digital Signatures types
- ⇒ Laserfiche signing for internal and external users
- ⇒ Collect multiple Signatures on a document
- ⇒ In-Person signatures pads with pen displays
- ⇒ Certified Digital Signature Solutions
- ⇒ Best Practices and Solutions for any use case
- ⇒ All your questions answered from the ECS Team

*ECS' Monthly Free Training webinars are designed with our Customers needs in mind!*
