

## **Below is the El Paso official School Board Candidate Survey:**

As a service to you, the El Paso County Republican Party wanted to make you aware of the registered Republicans in the school board races across the county.

**Additionally, we sent a questionnaire to school board candidates to better understand where they come down on the issues that matter most to many local Republicans.**

*(Please note that not every candidate who received a survey was willing to state their positions.)*

### **GOP Candidates Who Responded “Yes” to All Questions:**

Lindsay Moore – D20  
Nathan Johnson – D20  
Nicole Konz – D20  
Mary Louise Fiddler – D12  
Rae Ann Weber – D12  
Lynne Stadjuhar Platt – D12  
Al Loma – D11

### **Survey Questions:**

1. If elected, will you vote to ban Critical Race Theory (CRT)?
2. If elected, will you vote to prevent or end mask mandates?
3. If elected, will you vote to prevent or end vaccine mandates?
4. If elected, will you vote to terminate a superintendent's employment with the district if they push for (or previously imposed) a mask or vaccine mandate?
5. If elected, will you support eliminating the use of Dominion Voting Systems in El Paso County and around Colorado?
6. If elected, will you support implementing a full forensic audit of the 2020 Election in Colorado?

Too often, candidates and politicians dodge simple "yes" or "no" questions and the voters are worse off for it.

**While we won't officially oppose or support any one candidate, it should be important to note who is willing to answer the hard questions and who is not.**
