## A Coming of Age Foster Family Agency, Inc.

Established in 2003, A Coming of Age Foster Family Agency has provided excellent treatment-level foster care services to children and families in the San Diego, Riverside and San Bernardino Counties. In 2015, A Coming of Age FFA served approximately 226 children and youth in foster placement while achieving high successful permanency outcomes.

A Coming of Age FFA is a private non-profit organization whose primary function is to connect children in the foster care system to the care, education and support needed for their individual growth and development. Children and the families that they are connected to are supported with services such as foster placement, case management, training and linkages to community resources. Through the services that we provide children are able to be placed in a loving home that encourages them to grow into positive participants in their communities, empowered with the skills to not just survive but to reach their individual goals.

With the support of our key champions, A Coming of Age FFA has been able to link our youth and families to vital support services that encourage and enhance positive outcomes in their lives.

With a staff of 15 full-time professionals, A Coming of Age FFA continues to strive for excellence moving forward as we strive towards accreditation and additional service program developments in 2016 and 2017.
