A teleconference meeting of the Florida Region of the Navy League of the United States was conducted on Thursday, April 22, 2021 at 2:00 PM EDT.

Roll Call

John Alger, Lynn Atkinson, Lisa Coe, Marianne Giambrone, Martin Jenkins, Rick Lecky, Qawnana Lee, Elaine Nasta, William Sanchez, Maryjo Thompson, John Vargo, Skip Witunski, Michael Wooster

Update from National Headquarters (Qawnana Lee)

Headquarters will be relaunching the training webinars. There will be a series of approximately fifteen webinars providing information about different departments within headquarters. The first one, on April 29th, will introduce the National Headquarters team members and their new roles. Q is conducting an ongoing audit of Council annual reports which compares council membership numbers from year to year. She will discuss the results with the Region Presidents for additional feedback and will submit her report after the convention.

Forty percent of councils do not submit their annual report. Councils were encouraged to submit their Annual Report, even if they missed the deadline for receiving a rebate, to restore their Council to good standing.

National and Regional Membership

Karen was not on the call to provide a membership update.

Proposal of Active-Duty Military Members

It was suggested that a fleet survey be performed to see if active-duty military members would be interested in joining the Navy League. We need to determine what incentives would encourage active-duty members to join.

National Navy League Convention

All were reminded to register for the National Convention in St. Louis, June 11 – 13.

Training Webinars

The next training webinar will be on April 29th.
