### **Information about our event:**

This year's event is going to look a little different thanks to COVID. We are looking at having shorter performances by bands, demonstrations, and other entertainment in different locations at different times. We are still working on the details, as State guidelines are continuously changing, so please be patient and know that we put safety of our staff, volunteers, vendors, entertainers, and community very seriously.

**You will need to provide a demo for us with the submission of this application. The demo can be e-mailed to us at [parks@campverde.az.gov](mailto:parks@campverde.az.gov) . If selected, you will be required to submit a W-9 to the Town of Camp Verde so we can pay you. We will be able to give you a check at the end of your performance as long as the W-9 is completed at least 14 days prior to the event. We will be making our selection for entertainment no later than September 28, 2020, but we will be evaluating the demos as they come in, so submitting your application sooner will be better for you.**

Town of Camp Verde Parks and Recreation will be selecting our entertainers based on the demo and how the entertainment fits the overall theme of Ft. Verde Days. If you have questions, feel free to contact us at 928-554-0828 or [parks@campverde.az.gov](mailto:parks@campverde.az.gov)
