Bald Fade with 11 against the grain

#1- Bald with clippers or balding blade

#2- cut top portions of hair with 11 guard

#3- Do this with 1-oc

#4- Start with 3-oc then drop to 5-oc and back to balding blade or trimmer to get 1st line out

#5- do this with a 03

#6- do this with 05, then drop to 1-oc and take out line with 1-oc

#7- at this point you can probably blend the last line out with anything between an 13 or 15 or 01 could be with the grain, could be all
