Fund Managers & Donors

Dear Potential Grantees and Donors,
 Thank you for reviewing this Grant Proposal.

We are the Merrick Foundation Org and Historical and Genealogical Society of members, authors, researchers and patrons. Our foundation was established in 1993 and began our online web site in 2001. Our Parent 501C3 is CYMG UCCMA. We have over 8000 worldwide members since 2001. Our member contribute research, historical artifacts and documents and genealogical studies of American Native and Surname groups including the Meyrick, Myrick, Merrick Royal lines. Many of our members have provided DNA samples that have shown ties to the Mohawk and Seneca Tribes and related RED HOUSE and Hebrew lineages rooting back to the original first humans to inhabit North America. We have acquired property located at 161 E. Main Street in Bradford PA 16701. Our parent NPO has proposed that we establish a immigrant student housing Residential facility for R1 and Medical Visa students.

We are presently a foreign mission worker in the Philippines who desires to obtain her Nursing degree at the University of Pittsburgh Bradford PA campus. Merrick House Will be designed to house 5 immigrant students in studies to enter missions and religious Work when they return to their home countries

In this proposal, you'll see information about Merrick House, our goals, and plans to Rehabilitate the property and fund expenses to house foreign students.

Sincerely,

Daniel W Merrick PhD
 Merrick Foundation President

MERRICK FOUNDATION OVERVIEW

ABOUT US

The Merrick Foundation Org is a 509(2)(a) chartered organizations under the parent 501(c)(3) NPO CYMG-UCCMA a non-denominational Messianic Jewish Congregation. Our primary mission is to provide worship and educational aids in non traditional worship formats that encourages original roots of faith and worship from ancient origins in Semitic texts, history and scriptures. The Merrick Foundation Organization is a historical and genealogical society of members who engage in ongoing research of the multicultural lineage of the American population to enhance our lives and worship experience.

We provide educational materials, books and workshop to the local community and online to members and clients world wide with over 25,000 books sold through our Amazon publishers. We have an online worship fellowship site at YahSpace.Org and work with home country foreign missions workers.

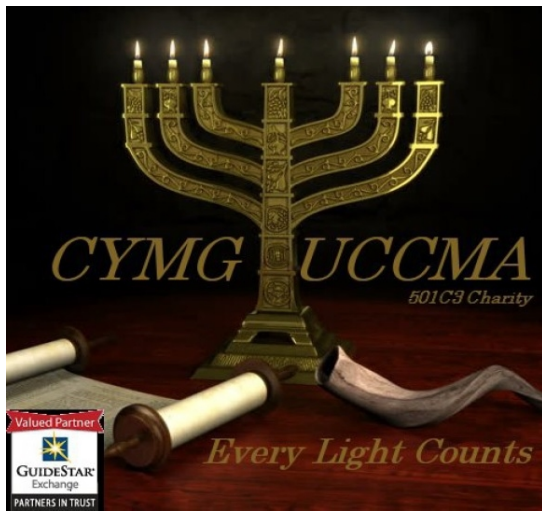

We own a residential home in Bradford Pa proposed to become a Mission student Housing facility while immigrant students obtain medical and religious education. We provide translations in ancient texts of biblical scriptures and manuscripts from sources that contribute to the knowledge of society of the origins of non-organized worship bodies with roots in Hebrew and other tribal rituals and practices. Since the first gatherings of worship by mankind were begun without walls and institutions, we encourage our members and followers to learn historical roots of religions, multicultural genealogy and multicultural society relationships that enhances the overall life long learning experience. For more on our Worship, publications and congregation see <https://www.YahBible.org>

MISSION

Merrick Foundation's mission is to enhance community awareness of multicultural roots, history and origins through education in ancestry, genealogy and genetics (DNA) by providing a library, learning center and community service projects online and in our foundation library by providing workshops and research aids. CYMG is a body of Worship congregation who does good works in our local and worldwide community.

VISION

To provide awareness and learning of enhance diversity of origins to provide inclusions in the community as having a common cord of ancestry as cousins. Since we are in fact as proven by science all related to each other within the species of the human genome by DNA, our relationships in community service, good works and worship should be without labels based on bias and Prejudice. CYMG seeks to do missions and good works world wide and worship Our creator in Spirit and Truth.

PROJECT DETAILS

INTRODUCTION

Name of the Project

Merrick House

Description of the Project

The Merrick Foundation's goals are to establish a permanent community foreign student housing Home for R1, F1 and M1 visa immigrants

CYMG UCCMA 501(C)(3) NPO is presently sponsoring A student missionary IT worker in the Philippines. Jhoana Abing is an 18 year old student completing her High School education at home online due to Covid 19. Her goal is to go to college in America and become a Nurse and return to her home country and provide Medical help as a member of our congregation overseas.

Merrick House is located at 161 East Main Street in Bradford PA and is a 4 bedroom house in need of repairs And rehabilitation. The home could house 5 foreign Students who are attending college at the University of Pittsburgh Bradford PA Campus. CYMG and the Merrick Foundation Org proposes to rehab the house and provide Immanent student visa housing for low income students Who will benefit from the relief of added student debt.

Purpose of the project

Rehabilitate the house donated to CYMG UCCMA - Merrick Foundation to house foreign students while Attending college at the University of Pittsburgh Bradford Campus and provide sponsored college Housing. We will also establish a interest bearing Account to fund utility and expenses of maintaining The house for these students.

Goals & Objectives

Goals & Objectives

Provide foreign student housing.
Enhance community awareness of diverse ethnic missions CYMG provides.

Rehabilitate the Merrick House with needed repairs.

Establish a interest bearing account to provide for The ongoing expenses of maintenance and utility Costs for this facility.

Goals & Objectives

Provide a computer learning center for students

Provide Jobs for the Local Community to help Maintain the facility and provide for foreign students Needs while in college.

Provide education for foreign missions students and Other F1 visa students to provide housing and help Reduce student debt.

Start Project Date July 2, 2021

Target Completion Date July 2, 2022

Purpose of the project

Construct at 161 East Main Street and rehab the existing house.

Merrick Foundation's mission is to enhance community awareness of multicultural roots, history, and provide housing for foreign students while in college in the USA.

Provide ongoing expenses in a trust fund yield interest income to maintain the property.

Provide computers in house to access studies while foreign students reside at Merrick house..
