Dear 22<sup>nd</sup> Judicial District Residents:

Thank you for trusting me to continue serving as your District Attorney. My administration will build on the reforms we began during my first term and work hard to serve you as effectively and efficiently as possible. We recognize there is always room for improvement, so I have asked my staff to assess every area of our operations and suggest ways that we can get better.

I remain committed to operating this office with professionalism, integrity, and fairness. Rest assured that we will maintain our strong record of prosecution, as well as our support for proven programs, like the Specialty Courts and Diversion, to keep our communities safe. My goal for this second term is to have the best District Attorney's Office in the nation.

As I have said from the beginning of my time in office, we are blessed to live in beautiful Washington and St. Tammany Parishes. You deserve no less than the best.

Sincerely,

  
Warren Montgomery
