

# The Franklin High School Band

## U.S. Flag Fundraiser

Show your pride in the USA and support The Franklin Band with a subscription to the United States Flag Service. Franklin High Band members will place a 3 ft by 5 ft U.S. flag on an 8-foot pole in your yard from dawn to dusk on each of the five national patriotic holidays.

Bands in Williamson County have been providing this service to residents for many years now. The Franklin Band is proud to bring this service to our families and community!
