ICCGS is committed to keeping our students and members healthy in our studio. We continue to monitor the COVID-19 virus and follow the recommendations of the City of Cedar Rapids, the Linn County Health Department, the Iowa Department of Health and the Center for Disease Control. We are asking everyone to follow the best-health practices including staying home if you feel sick and frequent hand washing.

We are committed to following the guidance of public health authorities and will adapt our plans as the situation needs.

- To ensure proper social distancing, tables are marketed with available space to maintain a safe distance. We ask that you remain in your designated area for the duration of the workshop
  - Families will be seated together.
- We have reduced the capacity for classes and workshops
- Everyone who attends a workshop, must have paid for a seat to attend

- Students are required to disinfect their work area before and after using the studio.
- For all workshops held in the S.T.E.A.M classroom, only workshop attendees and their instructors are allowed inside.
- We have expanded personal work areas for social distancing recommendations (6 feet)
