

TIETON CIDER WORKS

From our orchards to your glass

BLUEBERRY CIDER

NEW 19.2oz

Overview

Tieton's 100% natural ciders are made from our farm fresh fruit grown in the Yakima Valley. Over 40 varieties of cider and heirloom apples are hand picked, pressed and packed to produce our blended creations

Tasting Notes

Sown from Washington's rich volcanic soils a blast of pure blueberry will awaken all of the senses. Crisp sweet blueberries upfront balanced with tangy cider apples makes for a thirst quenching beverage. Pair with fresh cheeses or an after dinner delight, made for your sipping pleasure anytime of day or night.
