Porter's Perfection

Overview

Our 100% natural ciders are made from apple trees on our our 3rd generation family farms. This year will be our first major production of a biennial cider apple named Porter's Perfection, as a single varietal.

PACKAGE DETAILS

SIZE: 500ML BOTTLES

1/6 BBL

ALCOHOL: 6.9%

STYLE: DRY

RESIDUAL SUGAR: .7%

NATURALLY GLUTEN FREE

SERVE CHILLED

Tasting Notes

Our Porter's Perfection is an old English cider apple with vibrant red-flushed skin that produces bright acidic juice and mineral undertones. This tart, dry cider goes well with young and midly aged cheese like chèvre and and gouda.
