### HAZY STRAWBERRY CIDER

#### Overview

Our 100% natural ciders are made from farm fresh fruit grown in the Yakima Valley. The natural haze accentuates body and overall flavor. Available May-September as our tri-annual limited release.

#### Tasting Notes

The blend of hand-picked juicy strawberries with fresh pressed cider apples makes for a perfect summer beverage. Pours as a ruby blush, with sweet strawberry upfront and a tart apple finish. Pair with smoky barbecue and fresh cheeses.
