Virtual Programming

We have moved all of our in-school and after-school programming to virtual platforms to continue to offer a safe place to build healthy relationship skills and connect emotionally while we physically distance.

CONFIDENTIAL ZOOM SESSIONS are available for students needing extra support to build healthy relationship skills. Email us at info@whatisLOVEteens.org to set up an appointment.

CURRICULUM FOR TEENS & HEALTH EDUCATORS

Our research-based curriculum is a component of the comprehensive health education classes at SBUSD high schools. Health class materials are being revised for health teachers to support their seamless remote implementation.
