

February 1, 2020

CSF/CJSF Advisers,

We are excited to host the 2020 CSF/CJSF Central Coast Regional Spring Conference on April 18, 2020 at Monte Vista Christian School (MVC) this year. We have planned a day that we hope to be a fun, compelling experience which builds relationships with CSF/CJSF members from other schools, provides opportunities which move members closer to their secondary and post-secondary aspirations, and engages members with ideas, people and activities that help develop their passions. Attached and linked [here](#) is a flyer that can be used by chapters to advertise the coming conference. Registration information can be found and completed using this [link](#) or the QR code on the flyer. You may opt to allow individual registration or register as a chapter. For schools who need to submit payment using check rather than through credit card, please contact [Scott Nystrom](#) before April 3, so we can manually enter registrant information and arrange payment. This bypass option may not be used for individuals, only groups.

Our morning keynote speaker is Angela Heitmann. Angela is an entrepreneur, specializing in personal brand development. She helps people define their goals and create a brand that will influence an audience through social media to meet those goals. Her mission is to encourage more individuals to participate in the marketplace as a leader. You can learn more about her at angelahaitmann.com

Here are a few of our planned workshops:

Sustainable Food Systems: Hydroponics & Community Gardens - Interview Tips to Grab that Coveted Internship - Piloting a Drone - Compelling College Application Essays - The Art of Caricature - Mechatronics Fun - Financing Your Dream College - A Meet & Greet with Our Campus Equine Residents - Move with Confidence - **and more...**

Plan to spend the day with us from 8:30 a.m. to 1:30 p.m. with continental breakfast and lunch provided. Celebrate our CJSF Huhn and CSF Seymour Award finalists after a morning packed with activities and enriching workshops on our 100 acre Santa Cruz County campus.

For those who want to continue their day and enjoy the area, Monterey Bay, Capitola, Santa Cruz and Rio del Mar beaches are nearby. Please see a list of local lodging options and nearby activities [here](#). We are looking forward to seeing you. Please contact us with any questions.
