**Shelter Enterprises Inc. Price Increase Announcement  
2021  
North America All Markets**

**September 1,**

Dear Valued Customers:

As a result of continued increases in raw materials, packaging and shipping costs, please be advised that effective on all orders shipped after September 30<sup>th</sup>, 2021, Shelter Enterprises Inc. will increase the selling price of all Expanded Polystyrene Products and Graphite Polystyrene Products for the North American market by 8%.

Shelter Enterprises Inc. remains committed to providing “Best-In-Class” products and service that meet your changing needs.

Please call your Shelter Enterprises representative directly, to answer any of the questions you may have regarding existing and new job quotes. We appreciate your business as we strive to be your preferred supplier, and exceed your expectations as a business partner.

Sincerely,

Joseph J. Halek  
Director  
518-237-4100  
Shelter Enterprises Inc.
