Partnering for the Future
of Vermont State Parks

With your continued support, we're making our state parks even better for everyone!

In it's fifth year, we're so grateful for our Business Partnership Program and the support from our generous partners that allows us to revitalize nature centers, fund interpretive nature education in the parks, and host interns learning park stewardship.

In particular, we're thankful for partners like you who have enabled the success of our Park Access Program! This year, we've doubled our outreach and are working to ensure that foster families, youth programs, the BIPOC community, front-line workers, and those with limited mobility have the chance to experience all Vermont's state parks have to offer.

We can't do it without YOU!

The pandemic has shown all of us the importance of spending time outside. When Vermonters needed it most, the state parks stayed safely open and your support was critical to making the parks a welcome place for all. We are lucky indeed to call Vermont home and be able to take advantage of the shared natural spaces we all hold dear.

Will you renew your membership for 2021?

In addition to supporting projects that enhance our parks, you'll receive recognition for your generosity and park passes to share with your employees or clients. A list of benefits is on the following page. We hope you'll join us again this year as a VPF Business Partner, while enjoying the benefits to your business and employees!

Thanks and see you in the parks,

Sarah Alberghini Winters
Executive Director
Vermont Parks Forever

Bill Supple
VPF Board Chair and
Outdoor Industry Consultant
