

Circling the Labyrinth
Tune: *Amazing Grace*
Text: Jill Kimberly Hartwell Geoffrion ©1999

Circle of love,
Pattern divine,
You draw us to yourself.
We make our way,
as best we can,
not sure of where we've come.

Circle of faith,
Invitation,
For us your threshold waits.
Prepar'd by life
We cross over
Welc'ming the way ahead.

Circle of trust,
Myst'ry immense,
You ask us to move on.
The path unfolds
With each next step;
We tread on holy ground.

Circle of grace,
connection sweet,
Your center opens up.
All that we've brought
is welcome here,
we share our deepest selves.

Circle of hope,
Gentle challenge,
With courage we move on.
You call us forth,
at our own pace;
We follow you with trust.

Circle of truth,
Sacred embrace,
The time to part has come.
Longing to stay,
Ready to go,
Threshold becomes the door.

Circle of gift,
Emblem of care,
Thanks wells up, then overflows.
Our hearts open
With gratitude
We take our leave--for now.
