EXECUTIVE REPORT

Reflection on our Executive activities during the past year gives us a sense of accomplishment and dedication, even though we have come through a very difficult year. Your Executive has faced each challenge with strength, and determination, although not always with co-operation. Meetings of the Executive were held every 2 weeks and the attendance was always very good. We all should be very proud of our Executive who assumes a great responsibility, and we are proud of what they have accomplished, although much more has to be done.

It is the right of each and every member of our Shul to make positive suggestions to our Executive, attend the meetings, voice your opinions, and show that you care, in a very sincere way, by becoming an active force in helping us achieve our important goals.

It is imperative that we replace the negative attitude of some members with one of co-operation and encouragement in a positive way so that those members of the Executive can be made to feel a sense of achievement in their untiring efforts on behalf of your Shul !

Irving Feldgaier, Executive Chairman

(Yashor Koach to Fred Rudy for providing us all with these memorable historical moments, which some of us may still remember!)
