Student Presenter Ava Marrone:

Here to represent the yearbook committee, please send virtual learning pictures or work from your child to Mme Chahine nanssi.chahine@tcdsb.org email by this Friday. These pictures will be used to capture the memories students made over this year. Yearbook might be shared digitally and will be available in print in the fall.

Executive/Treasurer Report:

Updated on the following:

CSPC supported a primary dance workshop, students really enjoyed the workshop.

Organized Boogie Dance to have a workshop for all of St. Cyril.

If we do go back to in person learning then the dance will be done in class over the smart TV on June 28th at 2:30pm. Currently planning for virtual learning and having the event virtually.

Communications committee will need to share details for this event.

Need to submit to TCDSB a date for next year's AGM, the current date being discussed is September 21 at 7pm, Jana motioned to approve and seconded by Magda.

Nomination committee will be Darlene Saks, another volunteer is needed who will not be running for a position on CSPC, please contact CSPC if you can help.

Treasurer:

Annual GIC investment for the Turf renewal fund where \$2000 is set aside every year for the turf replacement was completed for this year.

Mrs. Moore, our teacher librarian, is requesting additional funds to support the cost of library resources. Motion to increase the budget for library support by \$120 approved by Dacia and Magda.

More classroom support cheques were debited out of CSPC accounts. Have all teachers submitted classroom support receipts? Some teachers have not yet, but a reminder was sent.

Submitted CSPC End of the year report to the TCDSB

Pic grant funds that were not used this year can be rolled forward to next year

Kathryn motioned that money from the budget for this year be used to purchase 2 smart TVs, this will enable us to order them in August making them available for September 2021 enabling all classes to have access to this technology, supported by Tara and Leandra.

Spirit Wear fundraising generated \$300, will be delivered via cheque.

Tara motioned to approve the financials

Principal's Update

Mme Chahine updated the group on the following:

Yearbook as discussed by the student representative.

The school is Proceeding with Graduations. Gr 8 graduation will continue even though teachers are on work to rule, an LTO teacher will be facilitating this event. Drive by celebrations for the kindergarten graduation, ECE's have prepared gift bags for students.

Welcome to Kindergarten will be done virtually, slides will be sent to parents.

There has been a change in the school model in August because of the virtual school. As of right now there are 15 classes at St. Cyril, this may change in September 2021. With the virtual model St. Cyril has lost a teacher, Mr. D'Ippolito will no longer be teaching with us because of this model change. Not sure if the cohort will continue again for next year. Many things depend on how many students go to virtual and how many stay for learning in person. Next year there is a grade 6/7 and a grade 7/8 split, all other grades are not combined.

Will our board have a hybrid model or will they keep St. Anne as a separate virtual school? Currently a separate virtual school is preferred. Final decisions will be made in August when parents have submitted their decision regarding in person or virtual to the board.

TRCA has given St.Cyril an unlimited amount of shrubs to be used anywhere on school property. The willow wall has died and these shrubs can be a potential fix. Shrubs can be planted anywhere in the school yard, we cannot dig out hard surfaces but other areas are a possibility.

Volunteers for the Pollinator garden certification via the City of Toronto are still needed. This pollinator garden work will begin in the fall.
