

Support Camp BUCKO

For many years now the Ontario Association of Fire Training Officers has supported Camp Bucko. Read on for more information about Camp Bucko

Camp BUCKO (BUrn Camp for Kids in Ontario) is a camp open to burn survivors between the ages of 7-17. The camp has grown to over 70 children attending the week long camp in August. There is no fee to attend Camp BUCKO.

We are a registered charity providing the program through generous donations from Firefighters Associations, service groups, and other public and private organizations. A Board of volunteers from across Ontario plans for camp all year. With the donations we receive we are able to fully fund each child's stay at camp, their transportation and camp "swag".

We will help arrange transportation for campers all across Ontario. We have also had campers from other provinces attend our camp if there was not a burn camp for them to attend in their home province.

Health providers, Firefighters, adult burn survivors, and burn support staff attend camp as Volunteer Counsellors to support the experienced Cedar Ridge Camp staff. We also have a VIT (Volunteer-In-Training) Program for campers who wish to become Volunteer Counsellors.

If you are a burn survivor between the ages of 7 and 17, who has received 2 weeks (or more) of treatment by a Physician in order for your burn injury to heal and you would like to register for Camp BUCKO, please contact us at the 1-877-272-8256 / 647-343-2267.

We would love you to join us at Camp BUCKO 2018!! Plans are well underway for an awesome week and we are really excited about you joining us at camp!
