

2019 SUPERMOTO RACING CLASS STRUCTURE, DESCRIPTION, AND SPECS

Class	Engine	Frame	Tires	Age
Kids Lights	50-110cc 4t	any	any	5-14
Heavy	50-72cc 2t			

This class allows our youngest riders learn the "race ethic." Extra attention is focused on helping children learn: what the communication flags mean, how to correctly operate the controls of their race machine, and how to race wheel to wheel in a competitive, yet safe manner. This class includes the dirt.

Class	Engine	Frame	Tires	Suspension
Micro Sportsman	50-125cc 4t	stock/dirt/road	DOT	sprung for weight allowed
	50-72cc 2t			

This class has been created to give people with standard dirt bikes an opportunity to experience Supermoto racing without the cost at the Novice and Amateur level. This class includes the dirt.

Class	Engine	Frame	Tires	Suspension
Lights Sportsman	149-225cc 4t	stock/dirt/enduro	DOT	sprung for weight allowed
	65-105cc 2t			

This class has been created to give people with standard dirt bikes an opportunity to experience Supermoto racing without the cost at the Novice and Amateur level. This class includes the dirt.

Class	Engine	Frame	Tires	Suspension
450 Expert	450cc 4t 250cc 2t	dirt	race slick	mods allowed

Competition class with dirt. Engine size rules are enforced. Intake, exhaust, and frame mods allowed. This class is for experienced riders that have been bumped up from the Amateur class. Approval required.

Class	Engine	Frame	Tires	Suspension
Amateur	250cc-open 4t 125cc-open 2t	dirt	race slick	mods allowed

B level riders with dirt. Intake, exhaust, and frame mods allowed. A place for aspiring Expert level riders to fine tune their skills and execute consistent lap times. Bumps to Expert class will come from the staff or a championship win. Attention will be paid to larger displacement machines running quick lap times.

Class	Engine	Frame	Tires	Suspension
Asphalt Only	250cc-open 4t 125cc-open 2t	dirt	race slick	mods allowed

Competition class – Amateur+ to Expert level riders. Intake, exhaust, and frame mods allowed.. Up and coming riders can sharpen their asphalt only skills in the Supermini class first.

Changes for the day related to weather or attendance will be made if a unanimous decision is reached during riders meeting only. Late comers with format change requests will not be entertained plus will be charged an additional \$25 to be entered into the timing system when it is hot.

Registration - 8A.M to 9:30 promptly
Riders meeting – 9:40
First practice – 10:10

If we feel too much slippery mud and clay is being brought onto the track from previous rain we will first run the entire 'Asphalt only' full program and then proceed with dirt classes.

*Rentals are available with proper notice

All riders are expected to execute a code of ethics conducive to a safe return home. Aggressive behavior on and off the track will not be tolerated.
