

# TAKE THE FIND A FRIEND CHALLENGE

## Make a New Friend at Camp and Plan an Adventure

The challenge is on! During your week of Summer Camp, meet people you want to hang out with when you come home from camp. Here's how to do this...

1. Introduce yourself to people at camp.
  - Tell them things you like to do for fun.
  - Ask them what they like to do for fun.
  - Shy? Ask a camp counselor to help you start a conversation with someone.
2. If a person likes to do the same things as you, ask if they want to stay friends after camp is over.
3. If they say **YES**, ask them to write their name, city, phone number, and email address on this flyer. If they say **NO**, smile and say that's ok. Not everyone wants a new friend and that's ok. You can still be friends while at camp.
4. When you get home from camp, call the Recreation Council to meet with the area coordinator to start planning an adventure of your choice with your new friend. You can use adventure funds to help with some of the costs.

**It is ok if you only find one or two friends! That's terrific!**

**The Recreation Council has funding to help you pay for your adventure.**
