SPECIFICATION DOCUMENT

1. Hot Double Bituminous Surface Treatment, shall be in accordance Section 410, "Mississippi Standard Specifications for State Aid Road and Bridge Construction, 2004 Edition".
2. All material, procedures and workmanship shall be in accordance with specifications referenced above.
3. Placement operations shall not commence unless the outside air temperature in the shade is 50 degrees F and rising. This requirement may be waived at the discretion of the County Engineer.
4. Contractor shall perform final preparation of existing road surface to include light grading, shaping, etc per specification previously referenced.

## GENERAL REQUIREMENTS

1. It is understood that labor and equipment includes water sprinkling to dampen prepared base and/or prior to sweeping to reduce dust.
2. The County reserves the right to cancel contract to purchase at any time for justifiable cause. Further, contract to purchase may be canceled for any other reason by either party upon 30 days written notice.
3. The County reserves the right to place an inspector on the job site to verify quantities and quality of work.
4. Failure of the vendor to commence work, under the terms of this contract within ten (10) calendar days from the purchase order issue date, and depending on the scope of the project, complete such project within ninety (90) days, as determined by the engineer, will require said vendor to submit to the County Administrator a letter of explanation regarding such failure. After review of said letter, the County reserves the right to cancel such purchase order for cause and re-issue same to an accepted alternate bidder. Any excess cost occurring from the next lowest bidder will be charged to the lowest bidder.
5. This bid shall be utilized for a minimum project quantity of 500 SY per road/location.
6. Contractor shall show Proof of Insurance and name Hancock County as co-insured. See attached for required insurance limits.

The following proposal is made on behalf of \_\_\_\_\_
