Tradition 8 Long Form

Alcoholics Anonymous should remain forever non-professional. We define professionalism as the occupation of counseling alcoholics for fees or hire. But we may employ alcoholics where they are going to perform those services for which we may otherwise have to engage non-alcoholics. Such special services may be well recompensed. But our usual A.A. "12th Step" work is never to be paid for.

Frequently Asked Questions.

Q. Is a Central/Intergroup office AA?

A. Yes. Central/Intergroup offices provide vital local service and Twelfth Step opportunities. A Central/Intergroup office is an AA Service Office that involve a partnership among groups in a community - just as A.A. groups themselves are a partnership of individuals. A Central office/ Intergroup is established to carry out certain functions common to all the groups – functions which are best handled by a centralized office- and it is usually maintained, supervised, and supported by these groups in their general interest. It exists to aid the groups in their common purpose of carrying AA 's message to the alcoholic who still suffers. For further information you may request AA Guidelines on Central or Intergroup Offices from G.S.O.
