

CIAC DISQUALIFICATION/EJECTION REPORT

Use the form below to submit a disqualification report. Submit a separate report for each person disqualified. Reports should be submitted as soon as possible after the incident (no later than 24 hours).

The game official responsible for the disqualification should complete the report and e-mail it to their board's designated contact for submitting the report to the CIAC. **Officials should not send this report to CIAC directly, they must fill it out and send it to their board – the board will submit it to the CIAC.**

Upon submission the report will be sent to the appropriate parties in the CIAC office, with copies sent to any additional e-mail addresses you enter. The offending school's principal and athletic director will receive notification of the disqualification, but not the detailed description of the incident.
