Cell Phone: _____

Email: _____

The National School Plant Management Association (NSPMA) seeks to assist a qualified member who plans on continuing their education by offering a scholarship to an NSPMA member pursuing a Technical Certification, Associates or Bachelor degree to further their School Plant / Facilities Management Career.

Application Materials Required:

1. **Professional Resume and Brief Narrative** inclusive of your job description and responsibilities, length of employment in current position, school district profile, size of district, number of buildings maintained, square footage of building and grounds, annual budget, and number of staff reporting to you.
2. **Description of Educational Goal**, indicate your plan course of study and how obtaining this additional higher education will benefit your career and current school employment.
3. **Letter of Acceptance from School/College** with a copy of your course of study program.
4. **Letter of Support** from your School Superintendent or School Business Official.
5. **Statement of Active Membership** in NSPMA and State Association Affiliate (in years).

Applications will be reviewed by the NSPMA Scholarship Committee. The selected winner will be notified by the Committee Chair. The winner will be honored at the 26th Annual NSPMA & SCSPMA Conference in Myrtle Beach, South Carolina.

Send this **Scholarship Application Form** and supporting entry materials by **December 1, 2020** to:
