Standards

Bayou Academy is licensed by the Southern Association of Colleges and Schools and the Mississippi Private School Association and complies with all of the standards put forth by each association. Its operation is governed by an elementary principal, headmaster, and a school board. Each class is taught by a certified teacher.

Mission Statement

Bayou Academy strives to provide each child with an excellent education in an environment that promotes rigorous academic challenges, Christian values, and student-engaged instruction.

BAYOU ACADEMY ADMITS STUDENTS OF ANY RACE, COLOR, AND NATIONAL OR ETHNIC ORIGIN.

Introduction and Philosophy

Bayou Academy is the name given for the entire school system, which includes students enrolled in kindergarten through grade twelve. Shaw Educational Foundation is a corporation composed of members interested in excellence in education. The business of this corporation is run by a Board of Directors elected by the membership.

Bayou Academy believes that the welfare of our community, state, and nation is dependent upon an enlightened citizenry. We are challenged to strengthen our pupils in intellectual development, economic competence, and social and moral values. In addition, the school strives for the total development of students by meeting their individual needs – physically, socially, and emotionally – with emphasis on moral values and democratic principles.

In order to become responsible and effective citizens, students should learn to cooperate with their peers, faculty, administration, staff and parents. Bayou Academy attempts to achieve this atmosphere cooperation within a democratic setting. However, we believe that our students must have respect for authority, because respect for authority, as well as a cooperative attitude, are important attributes of good citizens.

Whether you are a student, parent, or faculty member, we welcome you to Bayou Academy. Our school was established in 1964 to provide excellence in education and character for its students. Our purpose remains the same.

Attaining this goal requires the combined efforts of each of us. This booklet has been prepared as a guide for students, parents, and faculty. We operate with a minimum number of rules. However, when regulations are determined, we will accept and abide with the established rules of Bayou Academy.

We look forward to working with you in making the time you spend at Bayou Academy both rewarding and memorable.

The registration fee is due at the time of registration and is **non-refundable** unless the student is not accepted by a vote of the Board of Directors. Handling of Complaints

The Shaw Educational Foundation Board of Directors promotes good communication between patrons, the administration, teachers, and students. If any patron wishes to discuss a problem with a teacher, the patron is encouraged to schedule an appointment with the teacher through the respective school's Principal and/or Headmaster. Any complaint or misunderstanding by the parents or teachers shall be directed to the Headmaster. In those cases where satisfactory solutions cannot be found by the Headmaster or his assistants, the parent or teacher may air their grievance with the Education Committee of the Board of Directors by a written request to meet with this Committee. The request should be directed to the President of the Board. Such hearings shall be held during executive session of the Education Committee, and then the Education Committee and Complainant will present the complaint to the full Board. Parent's Responsibility

Discipline is the primary responsibility of the parents and the students while attending school. The behavior of students attending our school shall reflect standards of good citizenship demanded of members of a democratic society as well as proper attitudes toward the school. To insure the student's success, parents should, at regular intervals, check with school officials concerning their child's school conduct and academic progress. Bayou Academy students are expected to abide by the rules and regulations established by the faculty, administration, and Board of Directors of Bayou Academy. Parents are expected to be familiar with the school's disciplinary policies and lend support to the administration at all times. Disciplinary actions are designed to be fair, firm, and swift. The scholastic achievement attained by any student is directly related to his/her pattern of school attendance.

This excuse must be presented in the office where the absence will be determined excused or unexcused.

No student will be permitted to leave school without the permission of school officials. A parent or guardian must be contacted by school officials by telephone before a student may be released from school during the regular school day.

WHAT WORKS, SCHOOL WITHOUT DRUGS, United States Department of Education, William J. Bennett, Secretary, 1986.

Corporal Punishment:

Corporal Punishment can be used as a tool to correct student behavior. It will be administered by a principal or another designated by the Head of School. Parents will be notified prior to the administration of corporal punishment. If the parents elect to deny corporal punishment, the student would be suspended for the rest of the day and also serve a suspension the following day.

Suspension

I.S.S. (In-School Suspension):

I.S.S. will be used for serious infractions, but not serious enough for O.S.S. A student who is in I.S.S. will report to the principal at 8:00 a.m. Student will be in a solitary place and will complete all work done in class that day. Students may also be assigned extra work. All test and quizzes on that day will be taken at the same time as the class. Any spare time will be filled with writing or work detail (with a staff member). Students serving I.S.S. will have a silent break and silent lunch away from their peers. Student must stay until the end of the school day. Students in I.S.S. can still participate in extra-curricular activities on the day of their suspension, but cannot leave prior to the end of the school day. If a student receives a second I.S.S., they will lose the privilege of the exam exemption possibility.

Pay for Sub*

O.S.S. – Out of School Suspension:

O.S.S. is the most serious discipline short of expulsion. It can be 1 to 3 days depending on the severity of the offense. On a student's first suspension, the student will have a redemption chance of 75% on all tests/quizzes. (explained below). Any student who receives O.S.S. may not participate in any extracurricular activities on the day of their suspension. Any student who receives O.S.S. will be required to take all semester exams in the semester of which they were suspended.

75% redemption explained – The highest grade a student can make on these make ups is a 75. The following chart explains:

Grade on assignment	Grade recorded in grade book
100	75
93	75
76	75
74 and below	Reflects grade made on assignment

I.S.O.S. – In School Out of School Suspension:

I.S.O.S. will be used when the infraction is serious enough for O.S.S., but the administration feels that the student needs to be at the school. This is treated exactly like O.S.S., but the student is on campus. Student can take tests/quizzes on the day of suspension, but the 75% exemption policy is in place.

Saturday Suspension

Saturday school is a discipline between detention and Suspension. A student who has Saturday School will come to the school on Saturday morning at 9:00. He or she will do manual labor for one hour under the supervision of Administration. Failure to be present will automatically result in suspension the following Monday. If a student is late, he will serve Saturday school, and have detention added on another day.

Detention

Detention will serve for minor offenses. Detention will be held after school on Tuesdays, Wednesday, and Thursdays from 3:15 to 3:45 p.m. in the assigned teacher's classroom. When a student receives their fourth detention, they will serve in school suspension along with their detention. After the fifth detention the student will be seen by the administration for discipline action.

Expulsion

Offenses subject to expulsion:

1. Any situation in which the action of the student is deleterious to the academic environment of Bayou Academy.
2. Any situation in which the student is charged or convicted in a legal court of law.

State Law

Juvenile possession of a handgun is a delinquent act.

It will be a felony, punishable by a fine up to \$5,000 and/or three years in prison to possess or carry certain firearms or weapons on school grounds.

ANY SITUATION IN WHICH A STUDENT IS CHARGED AND CONVICTED IN LEGAL COURT OF LAW COULD JEOPARDIZE THAT STUDENT'S STANDING AT BAYOU ACADEMY.

Vandalism and Property Damage

Students who destroy or vandalize school property will be required to pay for losses or damages. If students willfully destroy school property, suspension and subsequent expulsion may be necessary. If damage is done by accident, it should be reported to a teacher or the office immediately.

Tylenol, stomach medication, or any other medication. You may send a bottle of Tylenol, stomach medication or any other medication with your child's name on it and it will be locked up in the high school office.

Bad Weather Procedures

Fire and tornado drills are held periodically in order to prepare all members of the school for these emergencies. Places of shelter from tornadoes have been designated by Civil Defense authorities. As soon as Bolivar County is placed under a tornado warning, all students will be moved to places of maximum safety. To maintain order and to protect the lives of all students, parents will not be allowed to come to the school during a warning to pick up their child.

In the event that school must be closed for snow or icy roads, announcements will be made on local radio stations and on Channel 15 in Greenville and Channel 6 in Greenwood.

An indication of the cultural level of the school is the conduct of its student body at an assembly. Whether guests are present or not, each student is personally responsible for the impression made by the school as a whole. Unacceptable conduct would include whistling, uncalled-for-clapping, boisterousness, and talking during a program. Students should be prompt in going to assemblies.

Student Government

The Student Council plays a vital part in the coordination and control of student affairs. In becoming a member of the school, a student automatically becomes a participant in the student government. It is expected that as a good citizen, a student will take an active part in the life of the school.

Grading Policies

Report cards are issued at the end of every grading period to enable the parents to know the quality of the work the student is doing. Grades are based on daily work and test results.

Semester grades are an average of the grades for each nine-week period for elementary students through 12th grade, and the semester examination grade. All semester grades and semester examination grades appear on the report cards as numerals.

An incomplete is given in cases of illness, emergency, or prearrangement, when the student has not been able to complete his/her assignments. An incomplete on the report card becomes an "F" four weeks from the date issued if the work is not completed.

Parents are requested to examine the report card carefully. If the report shows some unsatisfactory grades, we recommend that the parents have a conference with the individual teacher. This conference can be arranged at their convenience by calling the office.

The grading system is as follows:

A – 100 – 90

B – 89 – 80

C – 79 – 70

F – Below 70 – Failure

Each nine week term grade will be determined by tests counting twice and daily work (quizzes, homework, etc.) counting once. Semester grades will be determined by two nine week grades counting 40% each and the semester exam counting 20%.

All final grades will be determined by an average of both semesters. For semester courses, the final grade is the semester grade (40% first nine weeks, 40% second nine weeks and 20% semester exam).

A Headmaster's List shall be composed of students with grades from 93-100 and a Principal's Honor roll shall be composed of students with grades from 90-92.

VOLUNTEER POLICY

Effective 8/17/2017

6 HOURS OF VOLUNTEER TIME, PER FAMILY, PER SCHOOL YEAR

Because it is necessary for Bayou Academy to host various athletic, social, and other fundraising events, Bayou Academy is mandating that each family work a total of six (6) volunteer hours per school year.

The Patrons' League, BA Administration, and the Board of Directors have developed and approved the policy.

HOW WILL VOLUNTEER HOURS BE EARNED?

Volunteer hours may be gained in a variety of ways throughout the year, such as

- Working in a concession stand
- Working as a Gate worker at an athletic event
- Volunteering at Spring social or Harvest Festival
- Participating in prep and/or cleanup at any fundraising event

HOW WILL THE HOURS BE RECORDED?

A system of records is/will be maintained on all volunteers, including dates and times of service, and duties performed. These hours will be approved and recorded by the Patrons' League.

At each event, a sign in sheet will be present. If you are volunteering, it is your responsibility to find the sheet and sign in/out. If there is no sheet present, it will be your responsibility to find the person chairing the event and make note of your time worked. At each event, a Patrons' League officer, board member, school admin, and/or person chairing the event will verify your hours worked.

If a family feels they are volunteering their time in a special way, at a time that has not been formally requested, they may submit the time for possible verification/approval to bayoupatronsleague@gmail.edu.

The total of 6 hours may be collectively earned/accumulated by different members of each family, or any persons they arrange to work in their place.

IN THE EVENT THAT THE FAMILY IS UNABLE TO WORK THE MANDATED 6 HOURS

If a family is unable to work their assigned hours, it is their responsibility to find a suitable replacement.

When there is a sign-up sheet for volunteers, or when recording the hours, the replacement person will put the family for whom they're working first, then add who will be working in their place. A replacement worker's time will count toward your family's total hours.

If a patron (or their replacement) does not accumulate a total of 6 hours throughout the school year, the family will be charged up to \$100. Such charges will be issued at the end of the academic school year.
