Welcome to our organization Ashley Grimes and her 16U (03) team! They were previously Louisville Glory and have decided to be a part of our program beginning this year!

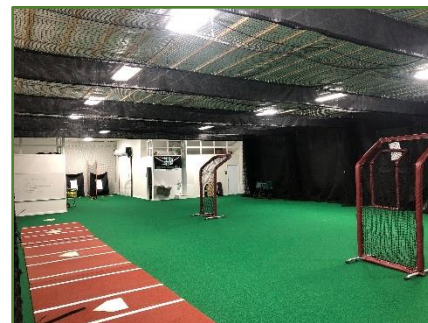

NFCA Coaches Clinic

We started the year off strong with many coaches eager to learn more and make their team better! Craig Snider (Texas A&M), Shonda Stanton (IU), Megan Smith (Marshall), Rhonda Revelle (Nebraska), and Beverly Smith (USC) traveled here to speak life and softball wisdom to coaches from all around the Midwest! Members from our board along with a few coaches had the opportunity to connect with the speakers over dinner and absorb tips and tricks to incorporate for their own individual teams! Contact Marley if you would like access to the clinic outlines.

New Louisville Indoor Facility

The Louisville indoor facility is now up and running! We are looking forward to the opportunities it will provide for our athletes and the growth of our organization! The Assumption Sports Complex is located at 4500 Champions Trace Lane, Louisville 40218.

Christmas Social Service

Over the holiday, three of our teams lended a helping hand. Our 8's and Svend Jansen went shopping as a team for two angels, 05 Franks helped wrap gifts for Open Door Youth Services, and our 09's with Jeff Hegedus visited a half way home.
