

Workflow for Client

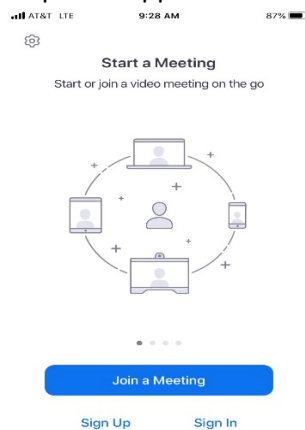

1. If the client is using Zoom Via Phone, or Computer Client will need to download the Zoom Cloud Meetings Application. Found on Google Play or App Store on both Phone and Computer.

2. If using the App. Click Join Meeting
 - a. Via Computer Application

- b. Via phone Application:

3. Type in Meeting ID: Staff will provide the Meeting ID to the client via text or email. This will be the same ID ongoing so clients do not have to continuously wait for an ID. But they do need to be aware of which ID Room the staff will be utilizing during that session.
4. Make sure client clicks on: **Join and Turn Audio and Video ON.**
5. Or go to <https://mncarepartner.com/zoom/> and enter the room name that way.
 - a. If joining this way, they will be asked to wait for the host to start the meeting.
6. Be sure to end session and log off.
