

Subject:

K-2 Late Stay Positive COVID-19 Case

Dear K-2 Late Stay Families-

CCA Administration and Church Staff were just informed that an individual in the K2 Late Stay Classroom has been diagnosed with COVID-19. **We need to make you aware that your child was directly exposed to this individual.** The individual was last in attendance in the K2 Late Stay Classroom on Friday, August 28, 2020.

We are reminding parents that the CDC recommends all individuals who've been in close contact with a person known to have COVID-19 seek medical advice and continue to monitor for flu-like symptoms, which may appear 2 to 14 days after exposure. The CDC recommends that close contact of cases who have no symptoms be tested but no sooner than 7 days after last contact with the individual with COVID-19. This information is located on page 9 of the Covenant Christian Academy COVID-19 Guidelines.

In accordance with our policy and procedures and based on the guidance of the CDC and DSS **we are CLOSING ALL K2 Classrooms at Covenant Christian Academy effective immediately. In additions we are requiring the quarantine of any siblings of a K2 child.** During the period of time that the classrooms will be closed, a professional deep cleaning disinfectant will be used in the classrooms as well as other areas that are utilized by the K2 classrooms. The K2 classrooms will reopen on Monday, September 14.

Please reach out to CCA Administration if you have any questions or concerns.

We appreciate your understanding and support in this decision-making process. Feel free to contact us via phone or email with any questions.
